

## Mounting Channels

Universally slotted H-profile mounting channel

| Material specifications |                                                                           |
|-------------------------|---------------------------------------------------------------------------|
| Material                | DX51D or Equivalent steel<br>DD11 or Equivalent steel                     |
| Coatings                | Galvanized, Hot-Dip Galvanized (HDG),<br>Powder Coating*, Zinc Magnesium* |

### Applications

- Installation of medium to heavy-duty ventilation ducts, plumbing & firefighting pipes and cable trays
- Secondary support structure for installation of different services

### Features & Benefits

- Wide range of mounting options in conjunction with our FXC mounting channel accessories
- Quick and efficient attachment of multiple support structure
- Lateral and vertical adjustment with reliable fastening
- High load bearing capacity owing to special material properties and design

### Select Variant
