

Single Bossed Clamps

Two piece single bossed clamp with connection socket and noise insulating rubber lining

Material specifications	
Material	Pipe Clamp - DD11 or equivalent steel Lining - EPDM
Coatings	Galvanized, Hot-Dip Galvanized, Zinc Magnesium*
Lining Properties	Service Temperature -20°C to +110°C Noise Reduction Up to 18dB (A)

Applications

- Installation of heavy duty industrial pipes
- Suitable for installation of cast iron and ductile iron pipes
- Suitable for stand-off Installations of pipes

Features & Benefits

- Connection socket provides higher bending resistance for stand off pipe installations
- Ideally to be used with threaded pipe and base plate for stand off pipe installations
- Strong clamping bolts offers enhanced flexibility in accomdating higher variation of pipe diameters and higher loads
- Dual nut allows multiple threaded attachments
- Reinforced rib design provides enhanced strength
- Noise insulating and temperature resistant EPDM lining
